YOUR VOICE. YOUR VOICE.

A U4C Guide to Preparing for the 2024 Election

Uniting for Change created this voting guide to help prepare self-advocates in Georgia to participate in the voting process.

Elected officials work for all of people including people with disabilities. It is
important that elected officials listen to how
laws and policies affect self-advocates across
the state of Georgia. Voting is one way people
with disabilities can use stories, wisdom and
experiences to influence laws and policy
decisions on local, state and national levels.
Uniting for Change encourages all people in
Georgia to vote. Make your voice heard!
